The Division of Workers' Compensation estimates that payment on claims associated with this Johnson & Johnson settlement could be up to \$150,000,000 for claims filed in CY 2022. For calendar year 2022, there have been approximately 400 claims filed through August of 2022. In calendar year 2021, over 250 claims were filed in December as the deadline was December 31. The Division estimates that there may be up to 800 claims filed in calendar year 2022. If awards are issued in 75% of the claims, that is 600 monetary awards. The average award for 2021 claims was around \$250,000. If the same \$250,000 average holds, it equated to \$150,000,000 for 2022 claims. Joint payments may be made to the claimants and attorneys; therefore 25% of the total NDI is being requested under EE.
